

EAST PRESTON ISLAMIC COLLEGE

55 TYLER STREET, EAST PRESTON, VIC, 3072

Dear Parents,

In Term 4 we will be learning about weather and the seasons, therefore the homework for the Term 3 holidays will be a poster on the four seasons. The poster must include the following information;

- *Name each season
- *What changes can we see during each season?
- *What is the weather like during each season?

During the holidays students must continue to practise their sight words and writing sentences. It is also important that students focus on forming their letters properly.

We hope you have a wonderful and relaxing holiday!

Kind regards,

Foundation Team
