

YEAR 10 HOLIDAY HOMEWORK— HUMANITIES:

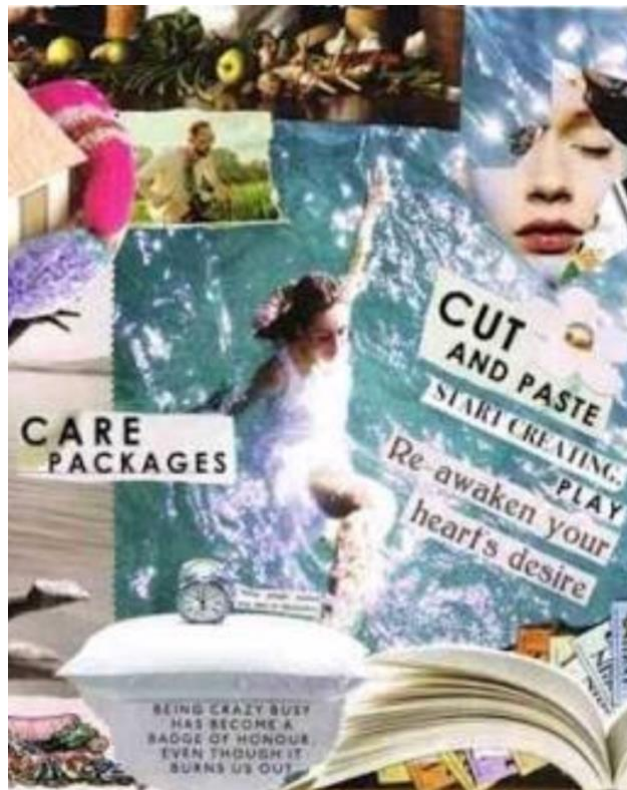

An Unequal World, An Introduction!

Dear Year 10,

As you have probably worked out now, we're focusing on 'Geography' in Humanities this term. YAY! This unit of work follows on wonderfully from our study of Human Rights Theory, as we will be looking at chapters 4, 5 and 6 of your textbook which examine wellbeing and the different experiences of it around the world.

Our unit is called 'An Unequal World'.

For **homework** I would like you to please create an A4 collage of what 'wellbeing' means **to** and **for** you.

Please use only 1 A4 Page. Somewhere on the page should be 10 words that sum up wellbeing to you, the rest can be images or quotes.
