**Mr Diamond**

Read Ransom and complete Cornell Notes for each of the five chapters (chapter one summary has been uploaded to Edmodo). You can add to these notes.

Research a current affairs topic (from October last year to current) that is prevalent in the Australian media. Write a practice persuasive speech based on this in the lead up to an oral presentation SAC in term 3. Practice speeches are due in week one of Term 3.

Please refer to Edmodo – and stay in touch with any questions that you may have regarding the above work – over the school holidays.
