Grade 2 - Inquiry Homework on Australian Landmarks

Research and find information / facts about these Australian Landmarks.

Present your information on a poster paper and please make sure it is your own writing and it is beautifully presented. Make sure it is neat and your project has a heading.

Your project is due back the first week of Term 3 on Monday 17th of July.

Please make sure you are able to understand all facts and you can read back your writing.

You will be presenting your project in class next Term and you will be assessed on your oral presentation.
