1. What is a Federation? (Explain)
2. When was it formed?

##### Goals

Remember to complete your Term 3 Goals and save the document in your USB

##### Movie Review

You will be completing a movie review of a movie you have watched over the holidays. You do not have to like this movie! You do have to say why you do or do not like it though...your points must be supported!

Be specific – names of actors, characters, locations, date the movie came out, etc. (Vague writing leads your reader to believe that you didn't really watch the movie.)

- Is the movie based on a book or an historical event? Is it a remake or a sequel?
- Give the movie a rating (it is up to you to decide what kind of rating scale you want – some people use stars, while others prefer something else!)
- Create a good lead – you want to hook the reader from your first sentence so that they want to keep reading your review
- Write with detail – meaningful detail.
