Instructions:

Please read the questions and instructions carefully before doing your work.

You have a mini-project (not for EAL) and some tasks in Mathletics to complete.

Due Date: 16 October 2018
Holiday Project

Conducting a survey on Popular Ice-Cream Flavours / Pizza toppings

Objectives

Upon completion of this lesson, students will be able to:

✓ Plan and carry out a survey by observation / questioning
✓ Collect data and present it in different forms

What to do?

Students have to conduct a survey (collect data) to gather information on what are the 5 most popular ice cream flavours / Pizza toppings from at least a group of 50 people as a sample and present the data in at least 3 of the following forms:

- Table
- Bar graph
- Tally
- Pictograph
- Line graph

Students have to list how they obtained their data and the methods they used to gather information.

For this project, students will document the results of their research/ survey by creating a digital, multimedia presentation using PowerPoint / Excel or other presentation programs.
