Harassment is not tolerated at the College. The College will provide support for anyone who feels that they are being harassed and will work towards resolving the issue with both parties. If the problem persists, a formal complaint should be made to the Vice Principal, who will investigate the complaint and take action appropriate to the circumstances.

### **4. ATTENDANCE / LATENESS / LEAVING SCHOOL GROUNDS**

Punctuality and attendance are essential to the success and smooth running of the College. When a student is absent, parents should call the Office on 9478 3323 by 9.00 a.m. and indicate the reason for the absence. When a student returns to school after an absence, they must present a letter from their parents explaining the absence. Students absent from school are responsible for all work missed and should discuss this with the subject teacher.

Any student who arrives at school after 8.35 am must report to the Office, collect a late slip and then present this to the subject teacher. After this late slip is signed by the subject teacher, it is to be given to the Year Level Coordinator the following day. Consistent lateness will incur a detention to make up the time lost. Unexcused absence from school is a breach of trust and is regarded as a serious matter in school discipline.

The College expects each student to arrive on time for every class, to ensure maximum learning outcomes for each individual. Lateness is recorded and calculated, and students may be asked to attend a detention. If a student is more than 10 minutes late to any lesson (without valid reason), the teacher will record the student as absent and inform the Year Level Coordinator should it happen again. Students cannot leave the school grounds for any reason without the written permission of the Year Level Coordinator. Recurring lateness and absences from classes will be dealt with by the Year level Coordinator and the Vice Principal.

#### **Leaving School Grounds**

The school shares with parents and students responsibility for student safety and conduct. Therefore, if it is necessary for a student to leave school during a school day, they must bring a note from parent or guardian for their Year Level Coordinator.

No student is permitted to leave the School grounds at lunchtime without the specific permission of the appropriate Year level Coordinator. Any student who needs to leave school during the day is required to report to the Office Reception prior to their departure to have this recorded.

#### **Supervision**

The school provides supervision in the yard before school from 8.20 am during recess and lunchtime and after school until 3.50pm. Beyond these hours, no rostered supervision occurs in the school grounds.

There is also supervision of the unloading student from buses in the morning and loading of students onto buses that depart from within the school grounds at the end of the school day.

Except for the above, there is no supervision of students outside the school property. Parents/guardians are responsible for making their children's own travel arrangements.

### **5. ASSIGNMENTS, HOMEWORK AND DEADLINES**

Due dates for assignments and homework are called deadlines. All due dates for assignments and homework are published in advance by the teacher in charge.
